APPEAL

The Mysore Horticultural Association as you might be aware was re started in the year 1953 Mysore has been known for several years as The Garden City of India Thanks to the interest evinced in this art by the officers who have been in charge of the Department the Government and the members of the Society The Society feels that a Show should be held in the City of Mysore with a view to encourage persons interested and to create a spirit of competition among them It is therefore proposed to hold a Show in the first week of August 1953 of the collection and exhibition of various plants of horticultural interest The inspection of private residential garden will also be arranged and prizes awarded to those adjudged as deserving of such recognition

Though the Society has this ambitious programme unfortunately in the matter of finance they are not in a very happy position yet to make suitable awards of prizes etc They require more money than they have at their command at present

On behalf of the Horticultural Society I approach you for a munificent donation either in kind or in cash for making the Show a success The cause being a laudable one I am confident that the public of Mysore will do their mite towards the success of the Show

Yours faithfully
